**Dj Angelo** has been a symbol of the South Florida nightlife since the early 1990s, receiving his introduction into the South Beach nightlife scene from Tommy Pooch Productions at the famous venue "Union Bar". Dj Angelo has been a significant part of the up and coming nightlife establishments and entertainment scene with residencies at Club Space Miami, Nikki Beach South Beach, Bongos Hard Rock among many others. Dj Angelo has and continues to entertain countless numbers of events locally and around the world. His understanding of the entertainment world, crowd management, body language analysis and so many other factors have allowed him to stand out as a well renowned Dj. Originally from the island of Aruba, Dj Angelo has been influenced by not only the Caribbean, Latin and American genres of music, but also by the very popular sounds of Dutch beats, allowing him to be an all around talent. Involved with many styles and different types of events, from hundreds to thousands of guests, Dj Angelo has and continues to inspire major success to every event. Considered as an "Open Format" Dj, his music capabilities range from Dance Top40 to House, Hip Hop, Latin, 70's, 80's, 90's, Rock, including the latest and most up to date Remixes of your favorite songs.
